

## Code of Conduct Agreement

As a C-RAD Member and/or a participant at any C-RAD event, you are a representative of C-RAD as well as your respective agency. As such a representative, you are held to a level of professionalism at all times, on and off the training or event grounds. This includes behaviors that could be seen in a negative light by us, your colleagues, or the general public. This also includes any behavior or action that may impact your performance or the performance of other members / participants. Any actions deemed a violation of this Code of Conduct will not be tolerated.

Those who do not meet these expectations will be addressed by the C-RAD board and/or representing associates and disciplinary action may be taken. They may be asked to make adjustments to their behavior, or the behavior of their dog (if applicable) and if not able to, will be asked to leave the event or the organization.

As adults and professionals, C-RAD members and/or participants should manage their time and activities at a level that maintains professionalism and does not take away from their abilities to perform in their role or distracts others from doing so.

Your behavior and actions, and those of your dog (if applicable), are ultimately your responsibility.

By signing below, you agree to this Code and will adhere to it.
